DROUGHT RELIEVED

RAIN TO CONTINUE; SAYS WEATHER BUREAU, (HOPEFULLY)

Volume 53, Number 20 — CAMPBELL, SANTA CLARA COUNTY, CALIFORNIA — Thursday, February 5, 1948

Optimistic old-timers say it will likely settle down and rain all February. No immediate prospects of a shower.

Our Town

By Peggy Blanchard

So the rain is the big news this week, while the whole West Coast waits to see whether rain clouds of the past two days will settle down to a steady downpour or whether we will have to continue the parched earth policy of conservation on electricity, fuel and lawnsprinkling.

• • •

Tuesday, two small boys were having a snow ball fight on Central avenue. And we, of course thought it was snow from Los Gatos hills beyond Permanente mill—It was a thrilling sight to see that blanket of snow up there.

Share our disappointment, then, to learn that the 'snow' was chipped ice from the iceman's truck--There went a lovely 'scoop' of a story on Snow In Campbell!

The youngsters had just as much fun, at that. And please don't think I envy the East its winter weather—me for this sunshine—with just enough rain for the ranchers!

• • •

A Slow down in the entire Bay area was caused when P. G. &. had reduce the power allotted to wires that electric clocks and household gadgets run on, just prior to Wednesday rain.

Nowadays, everyone talks about the weather and ever so many people, apparently are doing something about it.

Be fun to see someone actually pelting a storm front with dry ice to make it rain—

H. G. Wells MUST have thought that up!

Campbell's most conservative reaction to the showers Wednesday was right at the Water Company. The rainfall gage crept from 3.03 to 3.30 in the first faint sprinkle this week.— a mere third of last year's total to this date. No wonder water company staff looks serious about the supply for this growing community—it can be a lovely day to them if it rains!

• • •

By the way, Mr. Ralph Hyde showed us some national publicity for the 1947 Old Settlers Day, given the Campbell Water company float and complete with a picture of Walter Silberbauer. It appeared in an industrial magazine and was sent to all parts of the country.

Fifth Graders of the Grammar School braved today's rain to pay us a visit—watching us go to Press. Understand they have a newspaper of their own—please add us to your exchange list, Fifth Grade!

PG&E Asks Users To Conserve Electricity

An appeal to the public to conserve power in every possible way was made today by James B. Black, president of the Pacific Gas and Electric Company, who said the lack of rain and snowfall and the unseasonable irrigation pumping load have brough about an emergency in the state's power supply. Ways in which the public can cooperate in the curtailment are being announced by the company through newspaper advertisements and radio announcements. Mr. Black's statement follows:

'Sometime ago I called attention to the effect on the power supply of the deficiency in precipitation

Boys' Club Meeting 'Howling' Success

About 60 boys turned out for meeting of the Campbell Boys Club last Friday night. Meeting was held in the banquet room of the I.O.O.F. Hall. A score of adults showed their interest by attending and joining in the festivities.

Cal Shrum and a half dozen of his Rhythm Rangers came from San Jose to enlven the proceedings. The boys extanded the popular western dance band star a rousing vote of thanks for his part in the evening s entertainment.

A sumptions feed of hamburgers, ice cream, potato ships, soft drinks and coffee was liberally supplied by interested sponsors of the Club. A vote was taken on the matter of what projects to encourage. It was decided to from baseball and basket ball teams in the near future, and to provide for the study of automotive mechanics through the assistance of expert local mechanics.

This week's meeting had to be cancelled because of lack of a place to meet. The I.O.O.F. hall had been previously rented by another group. Meetings are to be held weekly in the future however.

600 Mark Passed In Dime Campaign

More than $600. was collected in Campbell Jan. 15-31 in the annual March of Dimes campaign for aid to the Infantile Paralysis Foundation.

Credit for the huge success of the drive, which tallied some $350. more than the 1947 campaign, is due student council members of Campbell High School, who conducted the collection.

Individuals, clubs and schools all contributed to the fund and coin containers were placed in local business places to receive pennies, nickels and dimes.

Many collections were held at various club meetings. The clubs that donated money were: American Legion, Kiawanis Club, PTA, San Tomas Improvement Club, Auxiliary, the Grange, and Theta Rho.

HI-Ys and TRI-Ys Helped

During the last week of the drive the various 'Y' organizations around school made a house to house campaign.

The Ex-Caliber Hi-Y did a little 'extra' besides going out on the house to house drive. During the drive this Hi-Y group put on an exhilition basketball game during noon period. Over $15.00 was collected at this game alone.

Now that the drive is over, the

Valley Petitions Circulated By Grange

Petitions are being distributed here by members of Orchard City Grange No. 333 for the formation of a West Valley Hospital district.

Grange members have accepted the responsibility for obtaining 500 names to help initiate an election on the matter, as the first project in a National Grange Community Service contest. They hope to be named winner of a new grange hall in the contest.

H. M. Shadle, master of Orchard City Grange, and Laurance J. Hill who are members of the Excutive West Valley Hospital committee, and David F. Rutherford are among those circulating the petitions.

They emphasized that the petitions are a preparatory step only in creation of a public hospital district. No taxes will be voted for building at the present time and no public campaign for funds is comtemplated at present.

Campbell, Saratoga and Redwood townships would be included in the proposed district.

TROOP 31 BIKE HIKE TO STEVENS CREEK

Members of Scout Troop 31 participated in a combination cook-out and bike hike at Stevens Creek last Saturday; members riding their bikes from Campbell to the camping spot.

Included in the program for the day were nature study and outdoor cooking methods. Members of the troop taking this hike were: Smith, Tom Hitchman, Leroy Gilliam, Tom Gilliam, Gerald Gilliam, Bob Pierce, Jimmy Sims, Clifford Billy Ward, Leon Madden, Jay Martin, Darrel Martin, SPL Noel Whaley and scoutmaster Larry Cowper.

SIGNS OF THE TIMES

By HARRY BLANCHARD

I don't see any particular reason for waxing philosophical over this business of California's three year Centennial celebration, but with your kind indulgence I will. The whole business of the exploring, conquest and settling of our state has always been of keen interest to me.

I have the scars on my legs that bear physical evidence to my endeavour in trying to follow the old Donner Trail over the Dogwood Grade to Prosser Creek, in the high Sierras. I have tried to follow the researches of Dr. and Mrs. George Hinkle, and George Steward. . . .of the University of California, and I always come up with only one conclusion. . . .we have, here and now. "A Romance of a Land." that in all our history is not surpassed. The diary of Fremont, from 1844 to 1846 is most absorbing. The story written by Mc Glashan, one-time publisher of the Truckee Republican, called "History or the Donner Party" is a tale of high travail, told in all sincerity, and one not to be taken lightly by novice historians. Mc Glashan was a realist of the first water. With five daughters, perched high in a 'Nob Hill' sort of abode overlooking the town of Truckee, he brought the travelling circuses to the girls. . . .they didn't go down into the town to see the circus. . ..although it was only a matter of two blocks. They tended their knitting in fact,and delved not in fancy. Mc Glashan, the lawyer, scholar and editor of the old school, was a man among men. -He won and lost the Truckee Republican, now the Sierra Sun, over the poker table. In losing, however, he won. He went on down the coast to Ventura on a writing jaunt and took over the editor-ship of the Ventura Star. But all the time, in his wanderings, he was writing "The History of the Donner Party,,. Every new acquaintance, every new assignment, found new material for his living record of the first days of our land.

x x x

His life and history are now all but lost in the limbo of the dusty history of forgotten men and events. But as his individual accomplishments wane in comparison to modern concepts of achievements it seems to me that with all the ballyhoo being given to Centennial and Statehood celebrations it is high time to salute one of our more humble and yet one of our more solid predecessors. . . .a man who chronicled, without fear or favor. . . .and the devil take the cost or the profits. I gave you, my friends, my nominee for high honor in Californiania. C. F. Mc Glashan I refer you to the Bancroft Library of the University of California at Berkeley, for more of this sturdy Pioneer.

x x x

And now for the mood "de joie". . . .or how do you like your spinach? Take it or leave it, eh? Well, if you're still with me here's what's going on. . . .There is a barber's strike in town. One of our better known tonsorial artists, otherwise known as Johnny Walters, has gone on strike against this shaving business. He downright insults customers these days, it's as much as your throat's worth to enter his establishment . . . .wonder if it could be. . . .sshhh 'Old Settlers' Day? Johnny's beard is one of the prize bushes hereabouts; that is, if you don't look Junior Worth's way!

And today a lovely sentiment expressed, one of our good subscribers, Mrs. S. G. Rice brought in a dozen beautiful Camellia blossoms. Some were sent east immediately via air mail, the others adorn Peg's desk. Thanks!

And in the mail, sandwiched in among the "press

The Big One Coming Up

There Have Been Some Games Called Basket Ball Played

There has been a rumor going around town that a Basket ball league, composed of teams sponsored by Campbell business men was organized a few week ago. It now develops that this league has, in actuality, been playing games every Tuesday and Thursday nights. The first half of this season now draws to a close.

It does not seem amiss to us to mention that one of the groups of young gentlemen, who comprise an aggregation of players sponsored by a leading hardware firm, are at this moment leading the league with no losses in six games played. Now, it also develops that a group of athletes bearing the proud name of a wide and handsomely known grocery company, or quaintly—store—have successfully overcome the thrusts of all of their opponents with the exception of one. These two toppers, destiny pre-decided, are to meet in 'the game of games' come next Tuesday night, February 10. Locale is the high School gym—where incidentally, all league games are played each Tuesday and Thursday nights.

We can vouch for the fun, sport and amusement exhibited at these games. We saw them on two separate evenings. The down-right verve and energy, displayed amazed. Sometimes it doesn't take much. But be that as it may, if it's sports you like—in the unorthodox manner, you can't get more for your nicklesworth, as far as Campbell sports are concerned, than to attend these games.

And don't forget the big game, Tuesday night, February 10, between the Maderis Market team and the Campbell Hardware quintet at 8:30 p. m. at the High School gym.

The other teams entered in the league were sponsored by The American Legion, Tony' Busy Bee, Jones Service, Burbank Club, Strong's Painters and Clark's Drugs.

Olios Set For Footlighters'

Olios to appear between the acts of 'Bertha, the Beautiful Typewriter Girl' the evening of Feb.21 in Campbell High School Auditorium have been selected and will add much to the enjoyment of the program.

One number will be an outstanding quartette known as 'Four Bits of Harmony' and made up of Jack Wasson, 'Smokey' Saling, Leonard Vetran and Bill Johnson.

Mr. and Mrs. Morton Harvey of the Harvey Studios. Los Gatos, will present 'Aunt Betty and the Rolling Stone'.

'Ta-ra-ra-boom-der-re' is the title of an act with vocal lead by Evelyn Buck, assisted by chorus girls consisting of Jeanne Tindall and Ida Levenberg with 'Aunt Betty' at the piano.

The Footlighters, who are putting on the play for their point benefit with the Campbell Chamber of Commerce, have been having considerable trouble trouble in losing members of their cast, but have been fortunate in getting replacements immediately.

They regret the sudden passing of the father of Mrs. Earl Clark at Twin Falls, Montana, and all members extend sympathy to the family.

Harvey Sheeder has stepped into the part of 'Skeets', the office boy, a part formerly assigned to Earl Clark.

Schedule For Old Settlers' Day

T. A. Cutting, Campbell historian, has been obtained as Master of Ceremonies for the luncheon Feb. 21 that will honor Old Settlers at noon on the day designated to celebrate the founding of Campbell.

The timetable of events scheduled includes:

10:30—Registration of Old Settlers' in High School Auditorium.

Auto Crash Is Fatal To Mrs. R. G. Snow, Local Woman

Mrs. Robert G. Snow, 45 South First Street, was killed Wednesday in an automobile crash in San Jose was fatally injured.

She was prounced dead upon admittance to Community Service Hospital after the accident in which Mr. Snow and their daughter-in-law, Mrs. Ernest Snow was driving when their car collided with one driven by Masato J. Yuki, Cupertino, California Highway officers called to the scene reported.

The deceased woman lived in Campbell for 42 years. She was a native of Lodi.

Surviving her are her husband, Robert G. Snow; two sons, Ernest Snow, Oakland; and Donald Snow of Almaden; a daughter Mrs. Betty Frank, and four grandchildren, Doreen and Karen Frank and Donna Rae and Jimmy Snow.

The funeral will be held at 2 p. m. Friday from Rutherford Home. Interment will be at Oak Hill Memorial Park. Members of Ada Rebekah lodge of which Mrs. Snow was a member, will hold a memorial ritual following the funeral service, which Rev. Robert L. Carlson of Congregational Church will conduct.

Slick Operators Discover Campbell

It would appear that this might be the season to warn the willing listener, the gullible and the soft-hearted. Of late there have been schemes of one kind and another offered to the unsupecting housewife whereby she might very profitably subscribe to some magazines. . .paying no more than the news stand price, and still see a part of her money going to some worthy cause. One of the schemes to come to light just this week was the case of some solicitors promising that a part of the funds collected would go to the building fund of the American Legion. The idea was fine, but the Legion had never heard of it. . and the chances are that the sincere people who subscribed, and paid their money have also heard the last of the deal.

Just in case the perfidious ones who concoct these schemes read this notice, we will say that we have the alleged name of the prin-

Whiskers Added To Old Settlers Preparations

New entries to the official whisker prize contest for Old Settlers' Day Feb. 21 brought the total this week to 17 competitors, Homer Hyde, whiskerino chairman, reports. More entries are still being accepted and a grand prize will be awarded during a dance to be sponsored by American Legion Post 596 in Campbell High School gymnasium from 9 to 12 p. m. on the day of the celebration.

In addition, many of the menfolk are tenatively trying out the whisker idea to see whether they can raise 'em. The old fashioned rim-chops, handlebar, sideburn and goatee—just like Grandpa used to wear—are coming back into fashion—for the time being.

It's all part of the local color in process of assembling for Campbell's centennial-year observation in honor of the first settlers here. In a way, it's a test of loyalty to the old traditions—ask any man who wears 'em.

J. V. Gomes Heads O'Connor Fund Committee For Campbell Area

Joseph V. Gomes has accepted the chairmanship of the Campbell committee to aid the O'Connor Hospital campaign, Jerry O'Brien recently appointed valley chairman of the field organization committee, announced today.

Gomes will be supported by an advisory committee tentatively including Louis Carbone, R. B. Bishop, Guy Farley, Carl B. Fields, Dan Furtado, Ira Grimm, J. F. Levenberg and Mrs. Monica Parr.

The Campbell group will act in co-operation with the field organization committee, headed by John P. McEnery and Harold Gardner as co-chairmen, which is carrying the campaign to raise funds for the new hospital into the 20 communities of Santa Clara Valley served by O'Connor's.

O'Brien, whose appointment was announced this week by Patrick H. Peabody, campaign general chairman, has been active in the central committee since the start of the campaign. His team led the regular groups of the committee with receipts of $119,520 in contributions. He is State Board of Equalization liquor administrator and a member of San Jose undertaking firm of Monahan. O'Brien and Moriarty.

JERRY O'BRIEN — Valley chairman of the field organization committee which is carrying the campaign for funds to build a new and modern O'Connor Hospital into the 20 Santa Clara Valley communities served by the hospital.

The first report meeting of the field committee was held today (Thurs.) in San Jose Hotel Sainte Claire.

Local committees have been set up in a number of valley communities and more than 700 workers have been enlisted and are being trained. Four hundred additional volunteers will be required, according to O'Brien.

More than $900,000 in subscriptions has been received toward the goal of $1,500,000 sought from the general public to aid in building the new and modern O'Connor Hospital, with facilities for 300 patients, The Sisters of Charity, who administer the hospital, have agreed to match, dollar for dollar, public contributions up to the $3,000,000 cost of the new hosiptal.

A Message From L. E. GARCIA
-About your new Servel-

There are many of you who have inquired "when may I expect delivery of a new Servel gas refrigerator?" Up until this time we have had to be just a little bit vague about giving you a date. That wasn't the way we wanted it, but we had learned that the manufacturer and his distributors were themselves vague about the whole general picture of production. Material shortages were the dominant factor affecting short supply; then came labor disturbances, then came shipping slowdowns. Withal, one thing and another—far beyond the control of any one man or firm created an uparalleld situation in the orderly sequence of our business. We think now, though, that a definite change for the better has come.

We were, just this week, assured of our quota of six brand new 1948 Servel Refrigerators, to be shipped in the immediate future. One of them, a six foot box is on the way now. . .and the rest are immediately following. Now. . .you know, and we know that a whole lot of people want those boxes. . . and we want to be absolutely fair about who gets them. So, we suggest that if you're one of the many, many people in this vicinity who have asked us about delivery please come in now and place your order and be assured of one of the first boxes to arrive. Youth Conference Attended By Local Girl

The shape of California's youth welfare activities of the future emerged last week-end from the two-day Conference on Youth Problems called by Governor Earl Warren.

Lois Smith, Campbell High School pupil, attended as a delegate.

More than 2,000 religious, civic, welfare, and educational leaders from all parts of the State heard Warren close the Sacramento meeting by stating 'The great value from this conference will come only when we actually activate and energize our communities along lines of youth welfare. I pledge everthing for a continuance of this work for the welfare of youth.'

Recommendations ranging from a rebirth of religious practice to improve employment opportunities and a continuation of rent controls were submitted by the 13 panels considering individual youth problems. 150 high school and college students took an active part in formulating the panel reports.

The panel discussing Community Environmental Planning for Youth Welfare advocated adequate housing for all income levels, low cost public housing, and local option rent control in the absence of Federal or State control as aids in controlling juvenile delinquency.

Positive programs in preparing youth for marriage and family life as an accepted California school practice was urged by the Schools and Youth Welfare panel. Members of the Group Program for Youth panel recommended the utilization of school facilities, especially in rural areas and small towns, for community use in keeping with Civic Center Act.

San Tomas PTA Gives Playground Equipment

A short business meeting of the San Tomas PTA was called by Mrs. John Perata, President, Feb. 3, in the Kindergarten room, Campbell Grammar School.

The Unit has made the gift of $100. toward the purchase of playground equipment its project for the year. This equipment will be erected at the new school grounds. It was further decided to have another cupcake sale March 17 due to the fact that so many children were disappointed by the quick sell-out at the last sale.

A nomination committee was chosen and named the following: Mrs. Ben Mabie, Mrs. Josehine Decker, Mrs. Felix Bersano, Mrs. Donald Hartman and William Shuey.

Mr. Shuey reported on the success of the book drive, and the whole unit joins him in thanking those who donated books.

The meeting then adjourned to the auditorium for the Founder's Day program participated in by all three units, San Tomas, Campbell and Moorpark, and where it was learned with pride and gratification that the president of San Tomas PTA, Mrs. John Perata, had been chosen to receive the life membership award.

Bands To Have Music Festival

For the first time all Santa Clara Valley high school bands will have a festival. Santa Clara, San Jose High, Lincoln, Los Gatos, Mountain View and Campbell will be the schools participating on April 23.

Committee Named For Auditions

Opera stars, film and news personalities, and outstanding figures in the music world were named today as the general committee for the 1948 $15,000 Atwater Ken[illegible] Auditions.

Representing the opera are Lil[illegible] be Pons, Ezio Pinza and Richard Bo[illegible]ro-elli. The film contingent includes Greer Garson, Billie Burke, Charles Coburn, Mary Pickford, Walter Pidgeon, Gene Raymond and Sir Aubrey Smith.

Musicians consist of Jose Iturbi and Autur Rubinstein. Others serving on the committee are Mrs. Earl Warren, wife of the governor of California; Mayor Fletcher Bowron of Los Angeles, Donald M. [illegible]

[illegible]men vocalists between the ages of 18 and 29. Application blanks may be obtained from the Atwater Kent Foundation, P. O. Box 1511, Hollywood 28, California.

There are no entry fees, and the deadline for contestants is March 1.

Attendance Lags At PTA-Approved Movie Series

Supper stars, thrilling, dramatic action, topnotch comedy—and all an the approved list of a combined PTA and theater-management committee— have turned out to be short on box-office appeal here.

Grown-ups who gave up their own leisure and chipped in from their own pocket-allowances to underwrite a series of Child Library Film movies shown in Campbell Theater each Saturday morning are wondering sadly what the old-time westerns and the new-time comic books havve they their program lacks.

For the truth is, the pictures have been shown at a loss, for lack of a youthful audience.

This Saturday at 10 a. m., the doors will open for Paramount's thriller 'Geronimo' and the committee is hoping that parents will steer their offspring into the special showing. Cartoons and shorts complete the program, designed to make wholesome entertainment available for youngsters.

Anderson To File On Both Party Tickets

Congressman Jack Z. Anderson of this district, has announced his intentions to file for renomination on both the Republican and Democratic tickets March 3.

Anderson made his announcement on the eve of his departure for Washington D. C. to attend the second regular session of the 89th Congress.

The Congressman expressed his regret that he was unable to confer with his constituents during his breif visit home for the holiday recess.

FARM LEADER'S FORMULA

James Patton, rugged boss of the National Farmers' union, urged President Truman to walk up to congress some day just like any other American citizen and lay his views before a congressional committee.

....'What you ought to do sometime,' snorted the Colorado farm leader, 'is take your hat in hand, walk up Pennsylvania avenue, go before a congressional committee and say. 'Gentlemen, I am here to testify in the people's interest.' ....The president smiled and shook his head. ....

....'My most effective weapon,' he disagreed, 'is to stand before a mike and talk to the people.' .....

'If you want to win the next election,' presisted Patton, 'You have to do more than talk. You have to dramatize your views. Instead of strolling on the White House lawn, stroll up Pennsylvania avenue with a purpose. It would be the first time since Jefferson that a president appeared personally before a congressional committee.'

'Well,' admitted Mr. Truman, 'that would be rather dramatic.'

Patton also invited the President to address the National Farmers' union convention in Denver.

TAX BATTLE BEGINS

President Truman quietly called in his best friends on the house ways and means committee the other day to build up as much tax opposition as possible against bull-headed Chairman Harold Knutson of Minnesota.

The three ranking Democrats on the committee—Congressmen Robert Doughton of North Carolina, Jere Cooper of Tennessee and John Dingell of Michigan—were summoned urgently to the White House.

In forceful language, the President called upon them to throw their full weight behind his proposal for a $40 individual tax cut, to be paid out of increased corporation taxes.

The value of government bonds must be maintained, he stressed, by paying off as much as possible on the public debt. That is the reason high-profit corporations must be taxed higher, he explained. Otherwise it would be impossible to give tax relief to the little fellows who need it most.

Truman argued that shifting $3,200,000,000 of the tax load from private individuals to big corporations would do nothing but lop off some excess profits. It would reach only into the heavy-profit field, he argued, affecting less than 25,000 of 100,000 corporations.

Notice To The Public

It has been called to the attention of the American Legion that magazine solicitors have been in Campbell lately selling subscriptions to periodicals. They have made false representations in saying that they were authorized by the Legion to use the name of the Local Post 596, and that part of the money from the sales was going to benefit the building fund of the Post.

Those statements are not true; we have not authorized any association, firm or individual to represent us in the sale of magazine subscriptions, or any other commodity.

To Present Easter Music March 23rd

Now entering its second year as one of the musical organizations of the community is the Los Gatos Civic Chorus. Its initial performance on Good Friday of last year, which presented 'The Seven Last Words of Christ' by Dubois, and Rossini's 'Stabat Mater,' set a standard of musical achievement under the leadership of director James L. Lightner.

By request, both from those who heard the performance last year and from those who missed it, "The Seven Last Words of Christ" will be repeated on Tuesday evening, March 23 of Holy Week, at the Los Gatos High School auditorium. Soloists will be Mrs. Howard Church, soprano, Peter Horn Jr., tenor, and Bruce Stratton, baritone; all local artists are contributing their services, as are all members of the organization. Accompaniment will be provided by the same combination of organ and piano which last year was received with such gratifying enthusiasm, with Marjorie Marshall Bonde, organist, and Sybil Schneller, pianist. Expenses will be defrayed by the donations of patrons and sponsors and no charge will be made to the public who is most cordially invited to attend.

Sometime in the latter part of May the chorus will present its major work 'Elijah,' an oratorio by Mendelssohn. Max Munier, bass-baritone from San Francisco, who created such a notable impression last year in the 'Stabat Mater,' will this year be heard in the title role of 'Elijah'. Other soloists, all local talent, will be Margaret Nunes, soprano, Linda Hurd, contralto, and Peter Horn, Jr., tenor. Accompaniment will be organ and piano, with Mrs. Bonde at the organ, and Jack White, an excellent, young concert pianist from Saratoga. A nominal sum will be charged for this performance.

Membership in the chorus last year was 100 voices, and it is expected that this year it will exceed more than 150. Not only Los Gatos is represented in this organization, but several singers from San Jose, Campbell, Saratoga, and Mountain View are also members, and anyone who can sing is invited and urged to join. The chorus is rehearsing at the Los Gatos First Methodist Church on Tuesday and Friday nights, from 7:30 to 9:30 p. m. Prospective members may look forward to an invaluable experience, not lacking in real enjoyment.

Anyone wishing additional information may write or call the chorus' secretary, Zolita Oliver, 475 Wraight Ave., phone Los Gatos 982-J.

San Tomas District News

Mrs. Grace Holmes of Pollard road will present her piano puplis in recital Friday evening, Feb. 6, in Campbell Baptist Church.

The following students will play: Ruth Brown, Charlene Lisenby, Mary Bradshaw, Patty Holden, Darlene Hiatt, Roger Bratt, Jimmy Ray Brown and Stanley Mattix.

Friends and relatives are invited to attend.

Senior Play Cast Chosen

After many try-outs and much deliberation, the cast of the senior class play for Campbell Union High School has been chosen.

This year's play is called, "June Mad" which is a modern comedy centering around a sudden crisis in a young girl's life. Penny, a typical tomboy, suddenly realizes that she is growing up, and Rodger, a handsome young college boy with a "line" enters her life. Thus many complications arise.

There are thirteen speaking parts in the play. The members as they have been cast are: Luella Devich as Penny Wood, Jim D'Avis as Chuck Harris, Margaret Hengstebeck as Mrs. Wood, Miles Dennis as Elmer Tuttle, Karl Achterman as Dr. Wood, Eileen Goodson as Effie, Jeanine Ledium as Milly Lou, Harold Ely as Merwyn Roberts, Harold Orcutt as Roger Van Vleck, John Talia as Mr. Harris, Mary Jane Camilleri as Shirly Wentworth, Warren Vandivere as Ralph, and Marian Page as Julie Harris.

The play is scheduled to be presented on two nights, March 18 and 19 according to the Director Dean Chamberlin.

CAMPBELL CADETS

Cadets of Campbell Union High School are learning to clean and care for rifles as part of their reserve military training.

New Teachers Added To Staff

With the beginning of the new semester several changes in teacher assignment have been made, and four teachers have been added to the staff at Campbell High.

Mr. George Egling is now Dean of Boys. He will, among other assignments, handle boys' attendanse and athletic elegibility.

Mr. George Kemp, who has done student teaching here for the past semester will teach drivers' education. Mr. M. Hughes will devote his time to the teaching of driving.

Orientation and English will be taught by Mr. M. E. Shipnuck.

Replacing Mrs. Betty Thomas and Mr. L. M. McQuesten who have been granted leaves of absence will be Mr. R. F. O'Brien and Miss Beth Childs.

REPRESENT CAMPBELL

Ellis Fisher and Jeanette Gomes represented the Jr. Red Cross of Campbell High school at the O'Connor kick-off dinner. The dinner was held at the Scottish Rite Auditorium Thursday, January 22. General chairman of the new O'Connor Hospital building fund campaign, Patrick H. Peabody, presided.

ASK FOR HOUSING INVESTIGATION

Investigation of housing conditions on Juanita way was asked last week by residents of the neighborhood who petitioned the Board of Supervisors.

What petitioners asked be corrected was: Habitation of a quonset hut on one acre of land with utilities already granted; families living in four tents with no construction in progress; outdoor lavatories or complete lack of sanitary facilities in eight situations; habitation of homes consisting of less square footage than required by zoning laws.

Western Tunes, Novelties, Are Promised For Old Settler's Dance

Yes, you can get into the act—

It's a promise on the part of Curly Dee who will be in Campbell Feb. 21 with his Rocky Ridge western orchestra to make with the music for Old Settlers' Day dance in Campbell High School gymnasium. There'll be room on the program for amature solos and request numbers are a specialty of the band.

KSJO will broadcast the opening hour of the dance, from 9 to 10 p. m.

American Legion Post 596 of Campbell is sponsoring the affair and proceeds will be divided with the Chamber of Commerce.

Western songs, comedy, novelty acts and dance numbers will have first billing for the Old Settlers costume dance, but plenty of popular songs will be sung by Sandy of the two-girl Betty and Sandy team. Dee will also spotlight such stars as Fred Cloud, Peewee Morrison, Spade and his accordion and Larry Diehl.

And now, after ruminating over how these guys do it. . . .referring of course to Ronnie Mautner, we're going to close this off and say. 'so long, until next Thursday. But first, before you inquire about Ronnie. . . .he is now on Guam. Just back from a trip east to visit relatives in Michigan and Wisconsin, Ronnie tarried in Campbell long enough to speak a few private words to Junice Benson, and took the high road. . .bout thirty thousand feet, to the far Pacific. He'll be there for a solid year, girls. . . .so git along with your knittin'.

LBen Howard Is Speaker At Kiwanis Club

LBen Howard described problems faced by a worker in the juvenile detention home for members of Campbell Kiwanis club Tuesday at a luncheon in library hall.

He stressed the need of young people for emotional security in the home and told of his work as a volunteer social service worker.

Joseph V. Gomes district chairman for the O'Connor Hospital building fund, called attention to the current campaign, recently launched on a country-wide drive. Herbert M. Shadle and Laurance J. Hill spoke on the foundation of the West Valley Hospital district.

Carl Field, chairman, introduced club guests who were: Arthur Tindall of the Grammar School faculty; Pattie Howe, Pattie Taylor, and Jack Franzen, grammar school students who are active on the traffic force; and Bill Wadsworth of the Boy Scout office.

Publisher Named Delegate To Convention

Patrick H. Peabody, Santa Clara Valley publisher, and Roland Davis, attorney and president of the Stanford-Palo Alto Democratic Council, were named delegates to the National Democratic Convention in Philadelphia next July.

Selection was made at a meeting of the State Executive Committee of the Democratic State Central Committee.

Alternates selected were Albert Ichelson, Redwood City businessman; and Julius Castelan of Daly City, chairman of the San Mateo Democratic County Committee.

Delegates-at-large will be John P. McEnery of San Jose, vice-chairman, Democratic State Committee, and Mrs. Edward H. Heller of Atherton, Democratic National committeewoman.

Prof. Thomas S. Barclay of the Stanford University faculty will be one of several secretaries of the convention.

Delegates were selected under a formula worked out between U. S. Sen. J. Howard McGrath, chairman of the Democratic national committee, and state party leaders. Under this formula Robert F. Peckham, district chairman, made his recommendations. The district committee is made up of delegates of respective county committees, which in turn are elected by the registered Democratic voters. In Peckham's opinion, this is the most democratic method possible.

Officers Are Elected By Valley Homes

Ed Tablak has been named president of Valley Homes, Inc.

The organization is a group of some 76 veterans who are solving their own housing problem by the cooperative purchase and building of homes out on Parr avenue.

The only project of its kind to near completion in California at the present, the Valley Homes tract was recently visited by a delegation of veterans from Honolulu who are in San Francisco to study the problem. Five homes are already finished and some 45 others are almost ready to occupy.

It will also be described in a book on housing now being prepared for publication, it is understood. Other officers of the corporation, elected last week by the board of directors, are:

Clifford Lawler, first vice president; Joe F. Anello, second vice-president; Bob Veltzen, treasurer; and Steven B. Anderson, secretary-manager.

On the board of goverors are: Elvyn Stanton, chairman; John Estepa, Francis McCurdy, Eleanor Graham - Armstrong, Chester Eades, Loren Williams, Mel Neujahr, Cecil Chapman, Edward Miller, Ted Balgooyen and Ezell Starkey.

Anderson and Ellis Rother recently represnted the corporation at a conference of California cooperatives in Palo Alto and visited a similar housing development there near the Stanford campus.

C.P.A. To Offer Instuction In Aviation

A training class in the fundamentals of flying and navigation is to start in room 20 at Campbell Union High School next Tuesday, February 10.

Classes are to be conducted by Waldo Walkup, former Army Air Corp captain. Sponsorship of the training plan is undertaken by federal government through the Civilian Air Patrol.

First classes will be recruited from adults, but within a short time high school students will also be admitted. Space has been secured at the San Jose airport for a building and hangar for a Cub plane, which is to be supplied without charge by the government. A Link trainer is also to be available for instruction.

Any interested persons may recieve further information by contacting Captain Walkup at the High school after Tuesday.

Conserve Power

(Continued from Page 1)

this winter and particularly in the amount of snow on the ground, which is relied upon to maintain stream flow in the late summer. I stated that this deficiency, combined with the inability of manufacturers to deliver needed electric generating equipment on schedule, plus the rapid growth in demand, had created a very serious power problem for the next nine months.

'We are just now receiving the first large turbo generating unit which was ordered when our consstruction program was initiated in 1945. It is expected that this unit of 100,000 horsepower will be installed and placed in operation in our new Kern plant near Bakersfield in April, altogether 525,000 horsepower of new generating capacity will become available in Company plants in the next twelve months. In addition, during the same period, at least 200,000 horsepower will be placed in operation by the Bureau of Reclamation at the Shasta and Keswick plants of the Central Valley Project.

'This very large addition to the generating capacity to be brought in during the next twelve months will total more than twice the expected growth in power demand in this area. With the additions to our transmission and distribution system now under way it should give the area adequate power facilities at the end of the twelve months period.

'Because of the record drought there is an abnormal irrigation pumping load in the agricultural areas. In Northern and Central California this unseasonable load now approximates 200,000 horsepower and comes at a time when under normal conditions our system load would be decreasing and we would be in a position to remove units of our various plants for annual overhaul and repair. The light rains of the last two days have provided no appreciable relief.

The situation in the valley would, of course, be relieved by heavy rain. Until such relief does come we must ask our customers to curtail their use of electricity in every possible way. Our customers can be assured that we have done and will continue to do everthing possible to meet the problems brought about by the record drought.'

J & A Market Personnel: Opening Saturday

With a grand opening, Saturday February 7, the newest addition to Campbell's business life gets under way in the grand manner. The J & A Food Mart, located on East Campbell avenue at Foote street is the culmination of a dream of many year's standing for its owners Joe and Al Fusaro.

Both of the boys are well-known in Campbell; prior to the war they were associated in another food store here. The new store, verging on the ultra-modern in design, has been planned to accomodate a large number of shoppers at one time with a minimum amount of lost time in checking. Pictured above, from left to right are the new owners Joe Fusaro, and Al Fusaro. The third member of the trio is Gene Hodges, well known to Campbellites who will operate the meat department in the new store.

Court Of Honor For Boy Scouts Wed.

Court of Honor for Boy Scouts of the Campbell area will take place at 7:30 p. m. Wednesday, Feb. 11 in High School auditorium.

Eagle badges, Star and Life awards, troop advancements and merit badges will be given during the program which coincides with national Boy Scout Week.

Troop 31, 34, 9, 36 and 47 will take part in the ceremonies.

Commissioner G. E. Jeffers will act as Master of Ceremonies. Milt Ryder, field commissioner, Howard Smith, Albert Smith, Laurance J. Hill, Mr. Dalzell and C. P. Klassen will assist. Rev. Robert L. Carlson will open the honor court with a prayer.

CAMP FIRE GIRLS
